Eligible <input type="checkbox"/>		Not eligible <input type="checkbox"/>				
Officer (full name capital letters):		Stamp:		Signature:		
Remarks:						

Please tick in boxes below to apply for either Scheme A, Scheme B or both as applicable:

SCHEME A

Vehicle owners who have converted their M1 vehicle (a passenger vehicle with a seating capacity of up to eight passengers besides the driver) or an N1 vehicle (a vehicle designed and constructed for the carriage of goods and having a maximum mass not exceeding 3.5 tonnes and used for private use) to run on LPG/Autogas after the 1st January 2015, will benefit from a one-time payment grant of €200. The scheme is applicable to the first 250 vehicle owners and will close on the 31st December 2016.

SCHEME B

Category M1 vehicles (a passenger vehicle with a seating capacity of up to eight passengers besides the driver) that are either converted, or run with LPG/Autogas will have their CO₂ emission levels reduced by 10% and benefit from a reduction of 10% on the amount of CO₂.

- i. Category M1 vehicles (a passenger vehicle with a seating capacity of up to eight passengers besides the driver) that were licensed after 1st January 2009, and converted to run with LPG/Autogas after 1st January 2015. These vehicles will benefit from a reduction of 10% on the amount of CO₂ which may reflect in a reduction on the amount of the annual circulation fee.

- ii. Category M1 vehicles (a passenger vehicle with a seating capacity of up to eight passengers besides the driver) which are registered after 1st January 2016 and converted to run with LPG/Autogas after 1st January 2015. These vehicles will benefit from a reduction of 10% on the amount of CO₂ resulting in a reduction on the amount of registration tax upon registration.

Please read carefully before completing the application form.

This application form has to be completed in full by the applicant and signed as appropriate by both the applicant and the competent person (the person carrying out the retrofitting of the autogas equipment).

The application form, with Sections A to E fully completed shall be presented by the applicant at Transport Malta offices, Vehicle Licensing Unit, Authority for Transport in Malta, Hornworks Ditch, Floriana, Hall C, between 7.30am and 3.00pm during workdays, or mailed to the same address, after the vehicle has been retrofitted with the autogas equipment. It shall be accompanied by the following documents and payment:

- (a) a copy of the certificate of retrofitting issued by the competent person;
- (b) a copy of the fiscal receipt issued by the competent person;
- (c) the vehicle's registration certificate (logbook);
- (d) a copy of a legally valid identification document of the applicant or a residence permit or an acknowledgement issued by the expatriate office (Ministry for Home Affairs and National Security);
- (e) administrative fee of €10, payable to Transport Malta, for the issue of a new registration certificate.

The scheme will be automatically terminated when 250 eligible applicants have benefited from this grant scheme.

An applicant will be only eligible for the grant if:

- he/she is a natural person;
- he/she resides in Malta;
- he/she is the registered owner of a motor vehicle which –
 - (a) is registered with and licensed by Transport Malta in the name of the applicant on date of the conversion and application for the grant,
 - (b) has been converted to autogas,
 - (c) is an M1 vehicle (a passenger vehicle with a seating capacity of up to eight passengers besides the driver) or an N1 vehicle (a vehicle designed and constructed for the carriage of goods and having a maximum mass not exceeding 3.5 tonnes and **used for private use**);

Every eligible person shall only be entitled for one grant under this scheme.

Filing your application DOES NOT automatically entitle you to receive the grant.

Data Protection Disclaimer:

Information given in this application form will be used to process the application and will only be disclosed to the Authority for Transport in Malta (Transport Malta), where confirmation of certain details are required, or to the Police where it results that the application contains false or misleading information.

Sections A to C to be completed by applicant

SECTION A – Applicant’s details

Name:	
Surname:	
Identity card number:	
Address, including postcode:	
Mobile number:	
Telephone number:	

SECTION B – Vehicle details

Make:	
Model:	
Registration number:	
Year of first registration:	

SECTION C – Applicant declaration

Where a fraudulent claim arises, Transport Malta may institute criminal proceedings against those responsible. In the event of an incorrect payment of a claim, Transport Malta reserves the right to recover funds paid in error.

I hereby declare that the vehicle, the details of which appear under Section B hereof, -

- (a) is registered for **private use only (not for hire or reward or used for financial gain)**, and
- (b) has been converted to autogas by the competent person whose details and signature appear hereunder.

I hereby also declare that the statements made and information given in this application are true correct. I understand that giving false or misleading information in connection with this application is a serious offence.

Full Name (<i>in capital letters</i>):				
Signature:				
Date:	DD	MM	YYYY	

Section D to F to be completed by competent person

SECTION D – Competent person’s details

Name:			
Surname:			
Identity card number:			
Address:			
Mobile/Telephone number:			
Competent person's Registration Number:			
VAT number:			

SECTION E – Retrofitting details

Vehicle registration number:	
Date of autogas conversion:	
LPG tank serial number:	
Certificate of retrofitting number:	

SECTION F – Competent person declaration

Where a fraudulent claim arises, Transport Malta may institute criminal proceedings against those responsible.

I declare that all the information I have provided in this application is complete, true and correct.

I confirm that the autogas equipment or autogas retrofit system installed by me complies with the requirements of UNECE 67 or UNECE 115 and has been type-approved by an authorised type approval authority in accordance with Directive 2007/46/EC as amended.

I confirm that I have carried out checks, after retrofitting, to ensure that, within the limits of the measuring method, emissions on the original fuel have not deteriorated and that emissions on LPG are less than those on the original fuel.

I understand that giving false or misleading information in connection with this application is a serious offence and that Government officials may inspect any records .

I undertake to keep relevant records applicable to this conversion to enable the Government to verify applications under the autogas vehicle grant scheme.

Full Name (<i>in capital letters</i>):							
Signature:				Competent person's rubber stamp:			
Date:		DD	MM				

SCHEME B

M1 vehicles (a passenger vehicle with a seating capacity of eight passengers and the driver) that are either converted, or run with LPG/Autogas will have their CO₂ emission levels reduced by 10%. This applies to vehicles which are licensed after 1st January 2009, and converted to LPG/Autogas after 1st January 2015. These vehicles will benefit from a reduction of 10% on the amount of CO₂ which may reflect in a reduction of the annual circulation licence fee.

Where such a vehicle is converted to run on LPG/Autogas the CO₂ emissions of the vehicle shall be:-

(a) those submitted by the manufacturer of the vehicle or by an approved accredited technical service in respect of vehicles which run solely on LPG/Autogas or vehicles which run on both LPG/Autogas, petrol or diesel, or

(b) where no emissions are submitted by a vehicle's manufacturer or by an approved accredited technical service in terms of paragraph (a) or where a vehicle has been converted to run on LPG/Autogas, the CO₂ emissions of the said vehicle shall be automatically reduced by 10%.

Please tick boxes below as applicable, either (i) or (ii) or both

i.	I have an M1 vehicle which was registered and licensed after 1 st January 2009, and I have converted the vehicle to run on LPG/Autogas after 1 st January 2015. I would like to benefit from a reduction of 10% on the amount of CO ₂ which will reflect in a reduction on the amount of the annual circulation fee .	<input type="checkbox"/>
ii.	I have registered an M1 vehicle after the 1 st January 2016, and would like to benefit from a reduction of 10% on the amount of CO ₂ which will result in a reduced amount of registration tax paid or to be paid upon registration.	<input type="checkbox"/>

Documents to be presented

Please ensure that the following documents are presented together with this application form:

Copy of Identity Card of the person applying for the grant under this scheme or residence permit or an acknowledged issued by the expatriate office (Ministry for Home Affairs and National Security)	<input type="checkbox"/>
Copy of the certificate of retrofitting issued by the competent person	<input type="checkbox"/>
A copy of the fiscal receipt issued by the competent person	<input type="checkbox"/>
Vehicle's certificate of registration (logbook)	<input type="checkbox"/>
Administrative fee of €10, payable to Transport Malta, for the issuance of a new registration certificate	<input type="checkbox"/>
