Port Notice No 15/2012

Notice to: Commercial Vessels Operators
Masters of Commercial Vessels

**Provision of Scheduled Maritime Ferry Services for the Grand Harbour and the Port of Marsamxett:
Commencement of Service in the Grand Harbour**

Further to Port Notice 13/2012 the Authority wishes to notify all Commercial Vessel Operators that the Scheduled Ferry Service in the Grand Harbour will commence on the 14th December 2012.

The Ferry will, initially and temporarily, be operated from the berth at Lascaris Wharf and a berth at the Inner Dockyard Creek as indicated in Chart D attached to Port Notice No 13/2012. The Authority wishes to remind Commercial Vessels Operators that no commercial vessel, including water taxis, with the exception of Dghajjes tal-Pass, are permitted to use the Landing Place at Lascaris Wharf as indicated in Chart C attached to Port Notice No 13/2012. The Dghajjes tal-Pass that are duly registered and certified to operate commercially can use the landing place, but not the ferry berth and shall ensure that they operate in such a way so as not to disrupt the scheduled ferry service.
