Basic Seamanship and Safe Boathandling: Change in Procedure for the Issue of a Nautical Licence

Your attention is drawn that with immediate effect, new procedures are being implemented to expedite the issue of the Nautical Licence after a candidate passes the exam.

The examiner will be signing and stamping the individual course completion letter which will be handed back to the candidate following which he/she would then be able to apply for the Nautical Licence once a Pass is obtained.

You are therefore kindly requested to amend the course completion certificate and insert the following columns and text as highlighted in yellow:

<p>For official use only</p> <p>Please Tick</p> <p>Pass <input type="checkbox"/></p> <p>Examiners Signature</p>	<p>Stamp</p>
<p><i>In the event of a discrepancy at any stage the attendance/results sheet shall be deemed to be correct.</i></p>	<p>Date</p>

The original course completion certificate is to be presented to the examiner for the examination. Candidates not in possession of the completion certificate will not be examined.

Please send the revised certificate for approval by not later than 1 June 2017.

Yours Sincerely
