TRANSPORT MALTA EXAMINATIONS – IDENTIFICATION DOCUMENT

It is being noted that candidates are still presenting themselves for Transport Malta's examinations leading to a Commercial Vessel Certificate of Competency without being in possession of a valid identification document.

Candidates are therefore being advised that unless a valid identification document is presented, he/she will not be examined.

Furthermore, it is the candidate's responsibility to ensure that:

1. The name being registered is identical to the one found on the identification document;
2. The personal details on the Training Centre Completion Certificate are correct; and
3. The identification document presented to the examiner is to be the same document which was used for registration purposes

Additionally, Training Centres are obliged to ensure that:

1. The correct personal details are registered for the courses and examinations; and
2. The prospective candidate is in possession of a Notice of Eligibility issued by Transport Malta to sit for that particular examination.

NO COPIES OR PHOTOS OF AN IDENTIFICATION DOCUMENT WILL BE ACCEPTED.

Training Centres are to bring the above notice to the attention of their students.

Yours Sincerely
TRANSPORT MALTA
