Notification for Resuming Duties – COVID19

The Aeromedical Office of Transport Malta has been closely monitoring the pandemic situation, particularly now with the increase of positive cases whilst flight crew members are increasing their duties.

It is therefore hereby being notified that flight crew and ATCO that have previously tested positive to COVID-19 must have an adequate assessment by an AME prior to returning to any flying duties within the stipulate required time as per publication attached on page 10.

Further information can be found on guidelines as published by EASA for Aero-Medical Centres and Aeromedical Examiners regarding the examination and assessment of applicants.
