

OPERATIONS ADVISORY NOTICE (OAN)		 Transport Malta Civil Aviation Directorate Flight Operations Inspectorate Security Gate 1 Luqa Airport Luqa LQA 3000 Malta
OAN Number: 09/14	Issue Date: 11th August 2014	
Subject: Ebola Virus Disease		

1.0 Introduction

This OAN is being issued to highlight the spread of the Ebola Virus Disease (EVD) outbreak in West and Central Africa and request operators to give appropriate guidelines to their crews.

2.0 Implementation

A number of Maltese carriers operate into or in the vicinity of EVD affected areas, and therefore it is suggested that, in line with the guidance to crew in Section 6 of the Operations Manual Part A (Crew Health Precautions), the operator should also include guidance to relevant personnel which might be at risk of EVD.

Operators are urged to initiate processes as mandated by the respective hazard identification processes.

To assist in this process, I suggest the following links which may be useful:
