Government Grant Scheme, including Scrappage Scheme, for the purchase of used Electric Vehicles in Category L, M1 and N1, and the conversion of bicycles to pedelecs, for Persons, Local Councils, Voluntary Organisations and Undertakings

The Ministry for Transport, Infrastructure and Public Works in conjunction with the Authority for Transport in Malta (Transport Malta) is publishing a financial grant scheme aimed at persons residing in Malta, Local Councils, Voluntary Organisations and undertakings established in Malta, to further promote the uptake of used electric vehicles in Category L, M1 and N1. This scheme is also promoting the conversion of bicycles into pedelecs.

The scheme aims at reducing the number of older conventional motor vehicles from the road and is subject to the conditions stipulated in this document. The grant shall support the purchase of passenger cars, light goods carrying vehicles, quadricycles and motorcycles, and the conversion of bicycles to pedelecs.

The grant includes a scrappage scheme intended to provide further financial support to applicants who, while purchasing and registering a used electric vehicle or a new pedelec, deregister a vehicle of any category which is older than 10 years from its year of manufacture.

The grant is deemed to have come into effect as of the **1st of January 2024**, is on a first come first served basis, and shall remain into force until the **31st December 2024** or until the allocated budget is exhausted.
