Repair works on St. Elmo Breakwater Arm, Grand Harbour - Valletta

The Ports and Yachting Directorate, Transport Malta notifies mariners that with immediate effect repair works will be carried out on St. Elmo Breakwater Arm, Grand Harbour – Valletta, and are expected to be completed by end of June 2018.

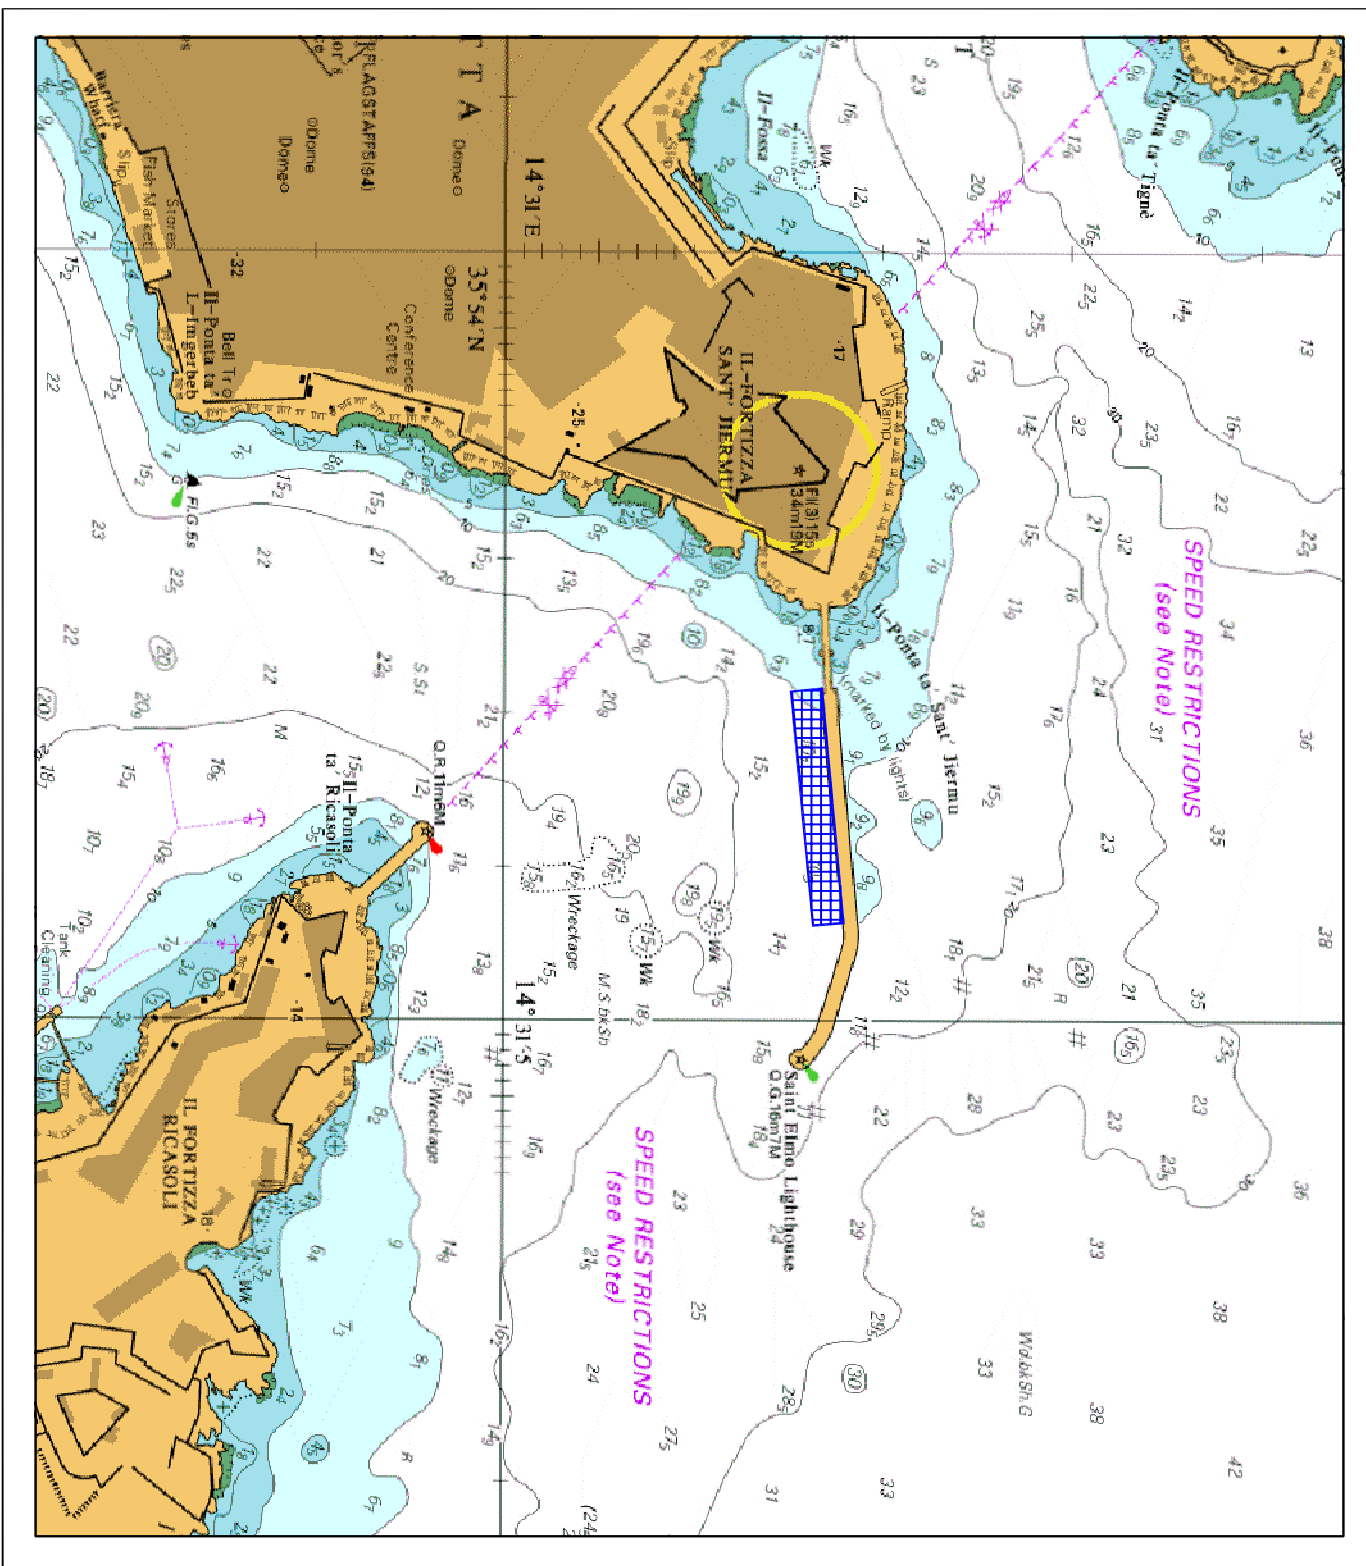

The works will be carried out within the area shown hatched in blue on attached chart and consist of the retrieval of hard stone slabs from the seabed and replacing missing coping slabs.

A diver will be involved in the works and will be assisted by the crane barge M/V Gold Dredger.

Masters and vessel operators are instructed that with immediate effect and until further notice they are to keep a sharp lookout, navigate with caution and slow speed and give the barge/diver a wide berth.

Masters of all vessels are also advised to keep a constant watch on VHF channel 12 for any new information which will be advised by Valletta Port Control (Valletta VTS).

Chart Affected: **BA 177**
