### **Laying of Boulders for Revetment in Pieta Creek, Marsamxett Harbour**

The Ports and Yachting Directorate, Transport Malta notifies mariners that a project is underway to lay boulders for revetment in Pieta Creek in the area between the imaginary line H, I, J, K, L, M and the intermediate coastline.

The laying of the boulders for the revetment will be carried out by the bucket dredger San Luca Primo.

In view of the above, all vessels, mooring and ground tackle have to be removed from the above area. This includes the area from the area between the pontoon X, Y and the opposite shore. These vessels are to be removed with immediate effect and not later than the 22<sup>nd</sup> October 2017.

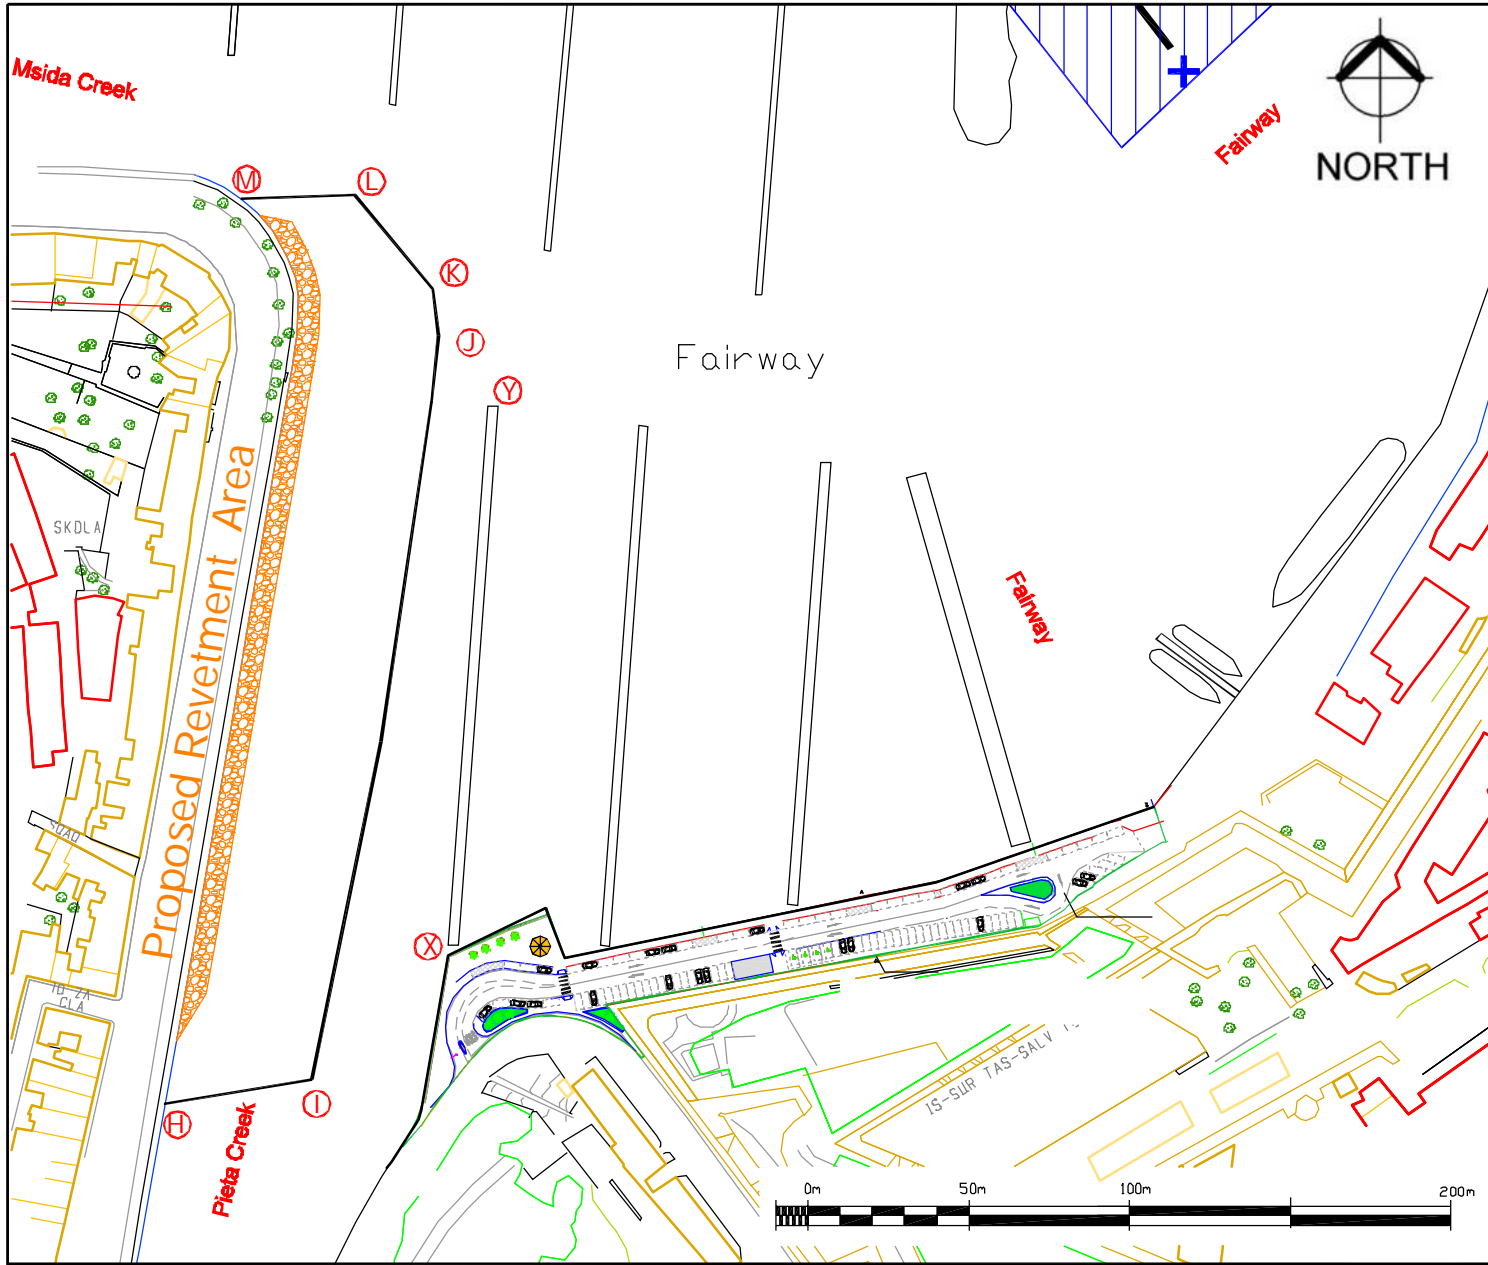

The works are expected to commence on the 24<sup>th</sup> October 2017 and be completed by 15<sup>th</sup> December 2017

No liability whatsoever will be accepted for any loss or damage made to any vessel, moorings and associated ground tackle if left lying in the area after the stipulated date

Masters and operators of vessels are advised to keep a sharp lookout, navigate with caution and slow speed and give the above vessel a wide berth. They are to comply with any instructions given by Valletta Port Control (Valletta VTS) on VHF Channel 12.

Chart affected: BA 177

Positions referred to WGS 84 DATUM.

**DISCLAIMER**

Whilst Transport Malta has endeavoured to ensure that the material supplied is suitable for the purpose described, it accepts no liability (to the maximum extent permitted by law) for any damage or loss of any nature arising from its use. The material supplied is used entirely at the Recipient's own risk.
