Land Reclamation and Construction Works in Gzira – Marsamxett Harbour

The Ports and Yachting Directorate, Transport Malta, notifies mariners that land reclamation and construction works at Triq ix-Xatt, Gzira, are expected to start on Saturday 1st December 2018.

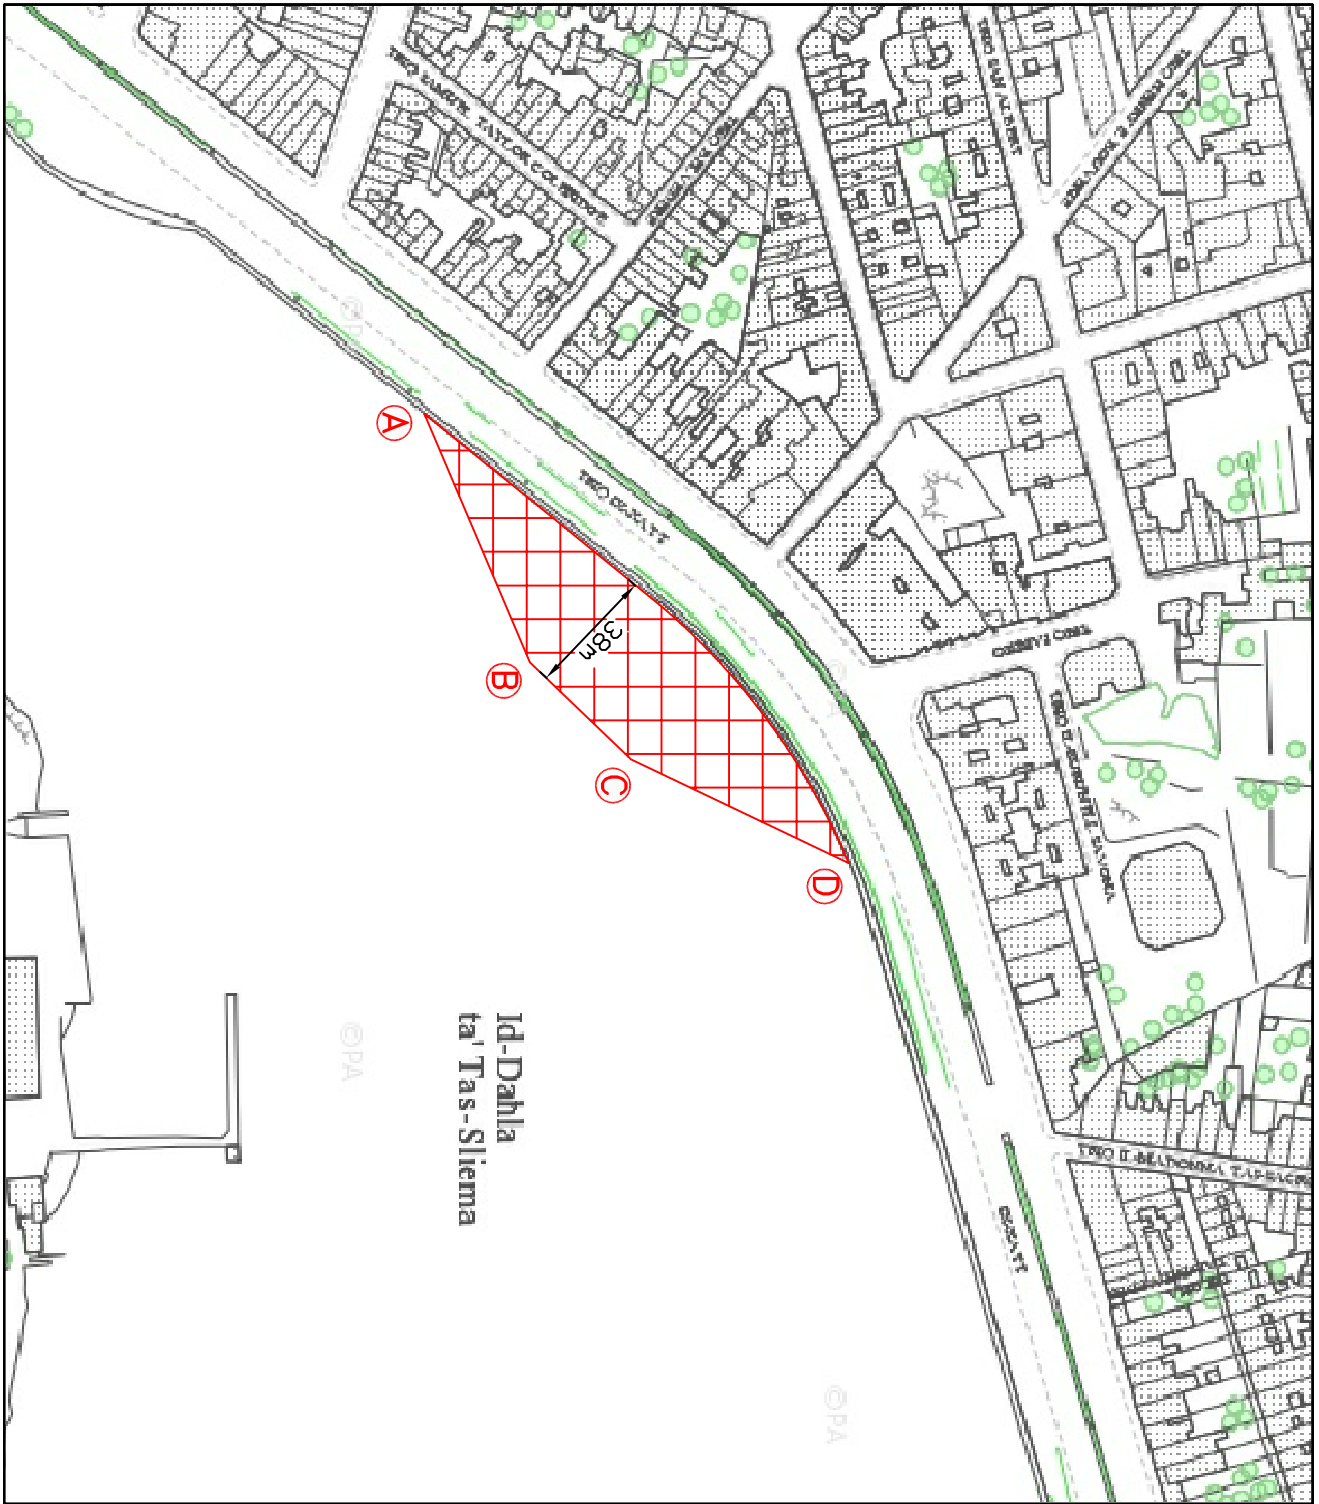

Owners of vessels that are moored or have a mooring within the area bounded by the imaginary line A, B, C, D and the coastline (as shown on attached chart) are to remove such moorings and associated tackle by Monday 26th November 2018. Any vessels and moorings that are left in this area after the stipulated date will be removed at the expense of the owner. No liability whatsoever will be accepted by the Authority for any damage that may be caused while removing the said vessels and moorings.

Furthermore, mariners are reminded that it is prohibited to lay any moorings and ground tackle without the prior permission of the Authority.

In view of the above mariners navigating in the area are to navigate with caution and very slow 'no wake' speed. They are to give the above area a wide berth and comply with instructions as communicated by the Valletta Port Control (Valletta VTS) on VHF Channel 12 or by Transport Malta officials and other Enforcement Agencies.

Positions referred to WGS 84 DATUM.
