

OPERATIONS ADVISORY NOTICE (OAN)		 Transport Malta Flight Operations Inspectorate Civil Aviation Directorate Transport Malta Centre Trijq Pantar Lija LJA 2021 Malta
OAN Number: 03/21	Issue Date: 23 June 2021	
Subject: Global Reporting Format / Reduced Landing Distance Operations		

1.0 INTRODUCTION

The purpose of this OAN is to bring to all operator's attention the publication of EASA regulations related to the Global Reporting Format for runway conditions and approval for Reduced Landing Distance Operations. This regulation comes into force on the 12 August 2021. (Note – ICAO mandates commences on the 4th November 2021).

These requirements were implemented through Regulation (EU) 2019/1387. AMC and GM have been published in [Decision 2021/005R](#).

2.0 IMPLEMENTATION

Operators are required to review own procedures and ensure these are updated with the requirements. Flight crew training requirements have been also updated and published in the Decision.

Operators of aeroplanes eligible to conduct reduced required landing distance operations shall complete application form 422, provided all required evidence. Operations to conduct these operations require prior approval of TM-CAD.

2.1 OM Compliance Checklists

Operations Manual compliance checklists have been recently updated and published. These provide guidance to the required manual amendments.
