

This is a reminder to ALL parties concerned to ensure compliance with **Flight Rules concerning low flying as per Part SERA.5005 excerpt below:**

“Except when necessary for take-off or landing, a VFR flight shall not be flown:

- (1) over the congested areas of cities, towns or settlements or over an open-air assembly of persons at a height less than 300 m (1 000 ft) above the highest obstacle within a radius of 600 m from the aircraft;
- (2) elsewhere than as specified in (1), at a height less than 150 m (500 ft) above the ground or water, or 150 m (500 ft) above the highest obstacle within a radius of 150 m (500 ft) from the aircraft.”

There can only be a derogation from this regulation with specific permission from the competent authority (TM-CAD). A written request must be made to the Director General for Civil Aviation accordingly.
