

Reporting points on Arrival – Marsaxlokk VTS

Vessels approaching port from any direction:

- Two (2) hours before arrival at pilot station
- Five (5) nautical miles off from pilot station
- At pilot station
- When pilot embarks
- At the breakwater
- At berth
- When pilot disembarks

Vessels shall remain in VHF radio communication, being ready to give a position report or inform the VTS of the vessel's intentions. Also, to take such direction or advice as the VTS deem necessary.
