

SAFETY INFORMATION AND ADVISORY NOTICE (SIAN)		 Transport Malta Civil Aviation Directorate Safety and Compliance Unit Transport Malta Centre Triq Pantar Lija LJA 2021 Malta aviationsafety.tm@transport.gov.mt
SIAN Number: 03/22 Rev 1	Issue Date: 28/02/2022	
Subject: Information on aircraft/crew in Ukraine and/or Russia – Revised Issue		

1.0 INTRODUCTION

Following the latest developments of the conflict between Russia and Ukraine several NOTAM's and restrictions have taken place. These may not only be affecting the country specific FIR's but also neighbouring countries which may decide to impose immediate restrictions at short notice. This evolving situation should be taken into account in the safety risk assessments.

2.0 APPLICABILITY

This Notice is to be disseminated to all personnel, and people who have direct

Aerodromes:	Not primarily affected.
Air Traffic:	Not primarily affected.
Airspace:	Affected region.
Airworthiness:	Not primarily affected.
Flight Operations:	All Maltese registered Air Operators and aircraft Registered in Malta.
Licenced/Unlicenced Personnel:	Not primarily affected.

3.0 RECOMMENDATIONS AND INSTRUCTIONS

In view of the extreme tensions and volatile situation in the affected region, the Civil Aviation Directorate is collecting all possible information on the immediate impact on aircraft and crew pertaining to all AOC holders and Maltese registered aircraft in the area.

Following the decision taken by Russia to close its airspace for various Countries, the scope of this SIAN is being extended.

Any operators having aircraft and crew on the ground in **Ukraine and/or Russia** are to provide this information to Airops.tm@transport.gov.mt and aviationsafety.tm@transport.gov.mt with e-mail title **“Information on aircraft/crew in Ukraine and/or Russia”**.
