**Notice To: Ship Owners
Ship Managers
Ship Agents & Masters**

**Carriage of Fuel and Petroleum Products on Ships and Boats within the
Territorial Waters of Malta**

The Authority wishes to remind all Ship Owners, Ship Managers, Ship Agents and Masters, including of fishing vessels, that in terms of the Ports and Shipping Act no boat or ship shall be used for or in connection with any trade, business or calling in the territorial waters and inland waters of Malta unless such boat or ship is duly licensed by the Authority for that specific trade, business or calling. Particular reference is made to work boats and fishing vessels loaded with dangerous and polluting goods including fuel and other petroleum products. The carriage of such products is strictly prohibited unless such vessels are in possession of the appropriate certification and a valid licence.

Masters, Owners and Agents are further reminded that non compliance with directions given by the Authority shall be subject to legal proceedings and liable, upon conviction, to a fine and/or imprisonment.
