Amendment to the Towage (Tariff of Rates) Regulations

Transport Malta notifies that the Towage (Tariff of Rates) Regulations (S.L. 499.49) will be amended as from 1st July 2012 by LN 217 of 2012 published in the Government Gazette of the 27th June 2012.

This amendment will incorporate an increase of 10.35% on all the rates, listed in the Schedule and the Notes thereto, of the Regulations.

This increase is being implemented according to the Harbour Towage Agreement 2006, which allows Tug Malta Ltd as the provider of towage services to recover the inflation costs and to invest in a new tug boat.
