COLLECTION, CARRIAGE AND TRANSPORT OF WASTE FROM SHIPS

Reference is made to the Port Reception Facilities for Ship-Generated Wastes and Cargo Residues Regulations S.L. 499.30 and the Waste management (Activity Registration) Regulations S.L. 435.73.

Attention is being drawn to all parties that the collection, carriage and transport of waste from ships is to be in strict compliance with the above-mentioned regulations and in accordance with the relevant Waste Management Plan as approved by the Authority.

Furthermore, all waste carriers (vehicles and vessels) have to be authorised by the licensing Authority (MEPA).

The collection, carriage and transport of ship generated waste (including waste oil) by unauthorised waste carriers is prohibited.
