Maritime Pilotage Tariffs

As advised in Port Notice 10/07 issued on the 21st December 2007, the Agreement entered into between the Malta Maritime Authority (now the Authority for Transport in Malta) and the Malta Maritime Pilots Cooperative Society Limited, entered into in 2007, establishes that a 7% increase in the standard rates for pilotage services shall take place every four years. Therefore, the next revision in the standard tariff will be effective as from the 1st January 2012.

The relative Legal Notice amending the Schedule to the Maritime Pilotage Regulations will be published in the coming days. The revised standard rates are enclosed.
