TRANSMISSION OF SEA PASSENGER INFORMATION

The Malta Maritime Authority shall assume new reporting obligations in respect of maritime statistics for the Maltese Islands. The Authority requests the co-operation of the shipping community in compiling and making available the required information. Part of the information in question regards the categorisation of passengers on board vessels visiting Malta, by nationality, as further classified by gender.

By virtue of Sections 30 and 31 of the Malta Maritime Authority Act, Cap 352, the Executive Director (Ports) requests that, with effect from Monday 1 July 2001, the above-mentioned information is submitted to the Authority, within two days from the arrival of the vessel, as per enclosed format. Should the information in question be available on an alternative form, it shall also be acceptable as long as the content has already been processed in terms of classification and aggregation of data.

The form containing the information may be forwarded by any one of four alternative methods namely, by mail, by hand, by fax or electronically to the following address:

The Executive Director (Ports)
