Reconstruction Works of Slipway and Quay at triq is-Salini Marsaskala

The Ports and Yachting Directorate, Transport Malta, notifies mariners and the general public that reconstruction work on the slipway and quay at triq is-Salini in Marsaskala will be carried out.

The work will commence on Monday 2nd March 2026 and is expected to be completed by Tuesday 30th June 2026

A silt curtain will be installed for the duration of the construction

A safety distance of at least 10 meters must be maintained along the imaginary line connecting points A, B, C and D, as shown on the attached chart.

Some work will involve scuba divers, who will display the International Code of Signals flag "A" while diving operations are carried out.

During this period, any vessels moored or anchored along the imaginary line A, B, C, D and the adjacent coastline, must be removed, and both the slipway and quay will be closed for use.

All mariners and vessel operators are advised to navigate with caution and at a slow speed (no wake) in the area. They are to cooperate with the contractor on-site.

Mariners are to comply with instructions issued by Valletta VTS on VHF channels 12 and 16.

Chart affected: **BA 36**
