Zones Reserved for Swimmers

The Ports and Yachting Directorate, Transport Malta notifies the general public, mariners and owners of vessels regarding the following restrictions in respect of designated zones reserved for swimmers.

These restrictions shall be in place from the date indicated for each area and until 30th September, 2015.

Mariners and owners of vessels moored within the zones reserved for swimmers are requested to remove their vessels and mooring buoys immediately. Any vessels and mooring buoys left in these areas after the 1st June 2015 will be removed. No liability whatsoever will be borne by Transport Malta for any damage to vessels or any damage/loss of mooring buoys and ground tackle that are left in these areas.

The zones reserved for swimmers will be indicated by coloured marker buoys, and ropes. The ropes may be kept afloat by marker floats in location up to 2 weeks after the above mentioned dates.

Several bays have access to the beach through launching lanes which will also be marked by floats. Vessels shall only enter through these lanes. No vessel is to be moored inside or close to the entrance of these lanes unless authorised by Transport Malta. Such lanes shall be used solely for embarking and disembarking of passengers and by commercial and water sports vessel operators.

No vessels or objects which may endanger the safety of bathers, including any type of fishing gear/implements, shall be used within a swimmers' zone, (this applies also to Notice to Mariners No. 20 of 2015).
