Marsalforn Swimming Area Hazards

The Ports and Yachting Directorate, Transport Malta, notifies mariners that from recent underwater surveys it has come to our attention that a number of sharp objects have been washed inwards into the swimming zone area. These foreign objects are at a depth of 3m and consist of metal and concrete construction material debris believed to derive from the old jetty which was destroyed during a storm.

Transport Malta urges the swimmers to avoid the indicated area shown on chart attached.
