Maintenance works on the Marsamxett Ferry Landing Place at Il-Port ta' Marsamxett

The Ports and Yachting Directorate, Transport Malta notifies mariners that with immediate effect and until further notice, maintenance works will be carried out on the ferry landing place near the Marsamxett Waterpolo pitch in il-Port ta' Marsamxett.

Due to these maintenance works the Marsamxett Ferry landing place will be temporarily relocated some metres away to the south from the usual landing place.

Due to this relocation there are some vessels' moorings which may be required to be shifted.

Masters of all vessels that have a mooring in the area are advised to cooperate with the Sliema – Marsamxett Ferry operator so as to have a safe navigable area.
