Maintenance works on Saint Elmo Breakwater Bridge, Grand Harbour - Valletta

The Ports and Yachting Directorate, Transport Malta notifies mariners that with immediate effect and until end of June 2016, maintenance works will be carried out on the bridge leading to the St Elmo Breakwater.

These maintenance works include removal and replacing of decking, sanding and painting of the bridge.

In order to carry out these works, a temporary suspended scaffolding will be installed below the bridge.

Masters and vessel operators are instructed that with immediate effect they are not to navigate below the above mentioned bridge due to the possibility of falling objects and the temporary installation of scaffolding.

Masters of all vessels are also advised to keep a constant watch on channel 12 for any new information which will be advised by Valletta Port Control (Valletta VTS)
