### Filming at Different Localities in Gozo

The Ports and Yachting Directorate, Transport Malta, notifies all mariners and vessel operators that filming activities will take place at Ras il-Hobs, Dwejra and Il-Reqqa in Gozo.

The filming activity will take place on **Thursday 11 August 2016** and **Friday 12 August 2016**, starting at sunrise (approximately 0730 hrs) and finishing at sunset (approximately 1930 hrs) on both days. In case of any technical problems or due to very bad weather the activity will take place on Wednesday 10 August 2016 and Saturday 13 August 2016 at the same times.

The exact position will be determined on the day depending on tests done and weather conditions but the area will be cordoned off using the following support vessels **S-11621** and **S-20423**.

In view of the above mariners navigating in the indicated areas during filming are requested to keep a sharp look out, give a wide berth of 50m and to slow down while passing nearby to minimise the wake. Mariners and vessel operators are to keep watch on VHF Channel 12 and cooperate with the crew, in the above mentioned vessels. They are to comply with instructions issued by VTS (Valletta Port Control).

Charts affected: BA 2537 and 211A.
