Speed Restrictions Around The Maltese Islands

The Ports and Yachting Directorate, Transport Malta would like to remind mariners regarding the obligation to proceed at all times at a safe speed and specific speed restrictions around the Maltese Islands.

In addition to permanent speed limit buoys several areas are delineated by yellow special mark buoys which are placed seasonally between June and October. Such buoys are charted on the Navigation Charts.

Mariners are requested to navigate with caution, keep a sharp lookout and navigate at slow speed when approaching any bay or part of the coast.

Speed restrictions are to be complied with at all times

Charts affected BA 36, BA 177, BA 211A, BA 211B.
