Diving and Research Investigations at Mgarr Harbour, Gozo

The Ports and Yachting Directorate, Transport Malta, notifies mariners that diving and research investigations will be carried out at Mgarr Harbour, Gozo.

These investigations will be carried out in the two areas shown in the attached chart ST 4 and ST 5.

Weather permitting the work is expected to commence on the 13th of March and completed by the end of March 2017.

These investigations will be carried out from the support vessel "Atlantis". The support vessel may deploy divers and other equipment and will display the International Code of Signals Flag 'A' during operations.

Mariners are instructed to give a wide berth and proceed at slow speeds and to comply with any instructions given by Valletta Port Control on channel 12.

Chart affected: BA 211A 211D
