Site Surveys at Il-Moll ta' Bugibba

The Ports and Yachting Directorate, Transport Malta, notifies mariners that a site investigation survey shall be conducted at Il-Moll ta' Bugibba (breakwater).

The surveys are expected to start on the 5th December and be completed by the 9th December 2017.

The work involves a structural survey of the breakwater, above and below the waterline. Underwater investigations will be carried out by divers who will be displaying the International code flag "A" (diver down keep well clear at slow speed) while diving operations are underway.

In view of the above, all vessel operations in the area may be restricted .

In view of the above, mariners navigating in the area are to navigate with caution at very slow 'no wake' speed. They are to give the above area a wide berth and follow instructions as given by the Valletta Port Control (Valletta VTS) on VHF Channel 12.

Chart affected: BA 211B

Positions referred to WGS 84 DATUM.
