Repair of damaged Jetty at Marsaxlokk

The Ports and Yachting Directorate, Transport Malta notifies mariners and the general public that repair works will be carried out on the jetty at Xatt is- Sajjieda – Marsaxlokk.

The works will start on Monday 15th September 2019 within the area shown hatched on attached chart.

A diver may be involved in the works.

Owners of vessels that are moored or have a mooring within the area of 10 meters from the jetty, are to remove such moorings and associated ground tackle with an immediate effect and not later than Sunday 14th September 2019.

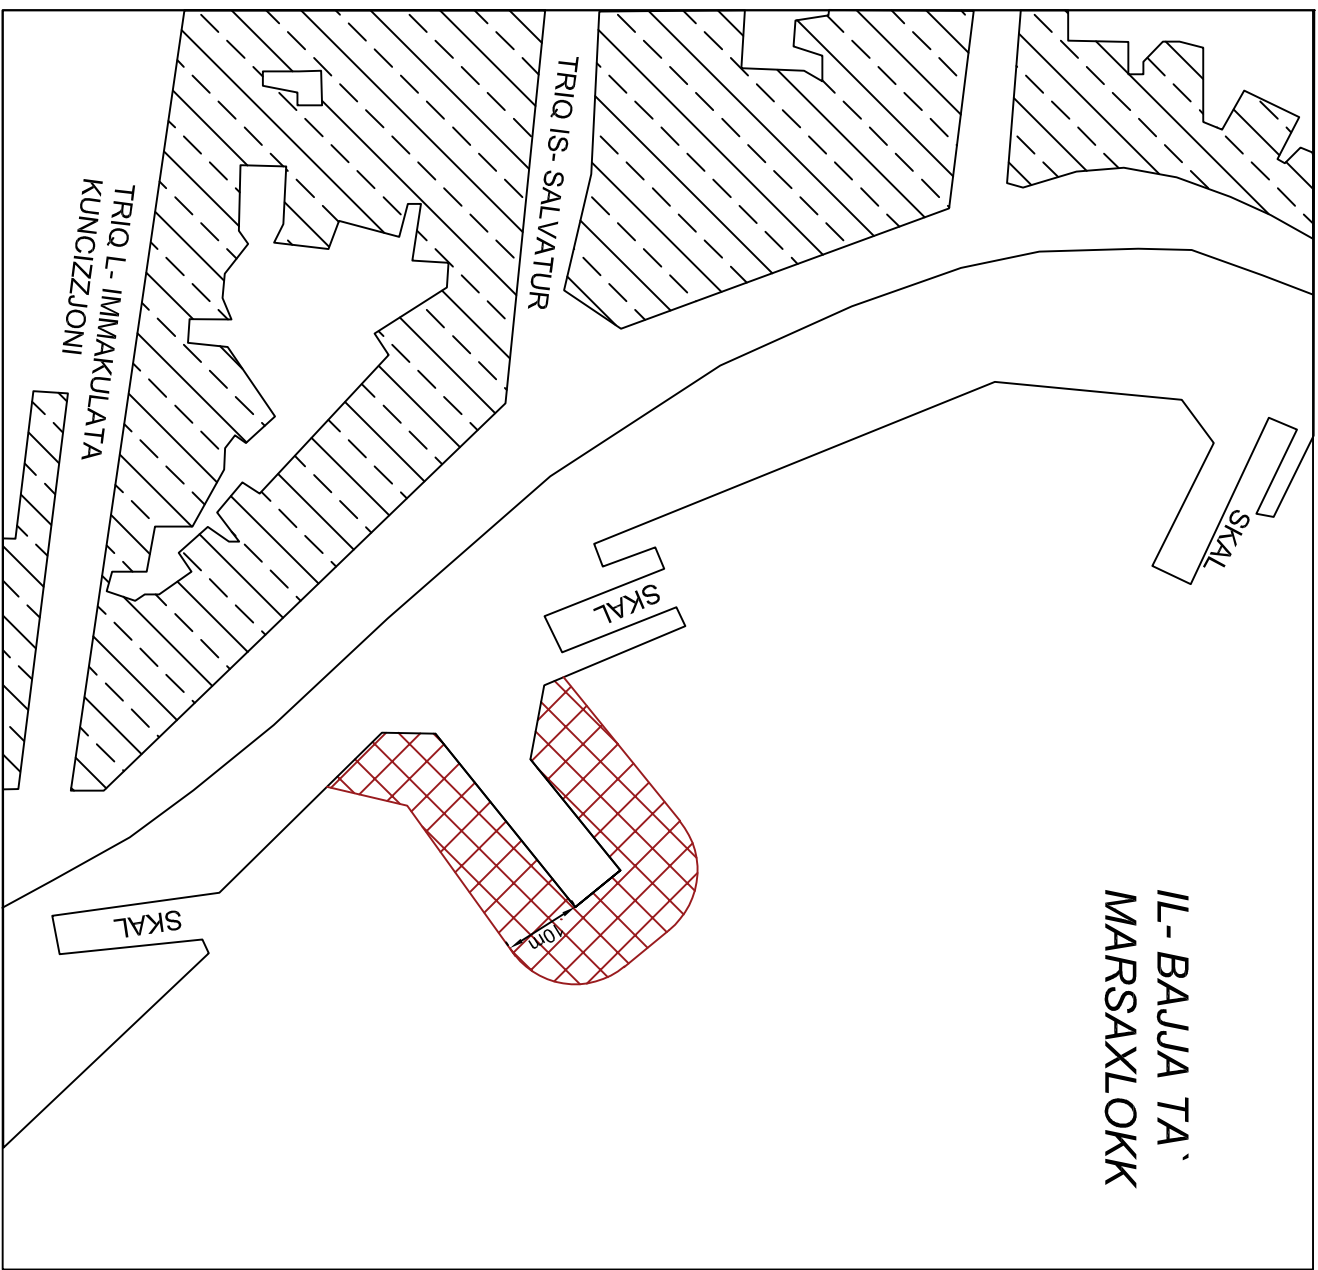

Any vessels and moorings that are left in this area will be removed at the expense of the owner. No liability whatsoever will be accepted by the Authority for any damage that may be caused while removing the said vessels and moorings.

A silt curtain will be laid within the 10 meters area shown on the attached chart.

The jetty cannot be used. Masters and vessel operators are instructed to navigate at very slow speed that no wake must be done. And keep a sharp lookout at all times.

All vessel operators are to comply with any instructions as given by Marsaxlokk VTS on VHF channel 14.
