A. INFORMATION ON APPLICABILITY

Applicants should read all the information on applicability and eligibility regarding the Exemption from Motor Vehicle Registration Tax Rules, which is found under Sub Legislation 368.01, as amended by Legal Notice 440 of 2013 of the Laws of Malta. For further detailed verifications one may also refer to the Motor Vehicles Registration and Licensing Act (Chapter 368 of the Laws of Malta) and the regulations governing the registration of vehicles in Malta, namely Sub Legislation 368.02.

Any person transferring his/her residence from a place outside Malta to a place in Malta is entitled, under the Motor Vehicles Registration and Licensing Act (Cap. 368), to an exemption from Motor Vehicle Registration Tax on an M1 vehicle (a vehicle used for the carriage of not more than eight passengers in addition to the driver) or a cycle (motor cycles, motor tricycles and quadricycles) which has been registered in the name of that person for a continuous period of at least twenty-four months immediately before the date of his/her transfer of residence to Malta and is still so registered when the vehicle is imported or brought into Malta. That person should also have lived outside Malta for a continuous period of at least twenty-four months immediately before transferring his/her residence to Malta.

“transfer of residence” means the actual transfer of the normal residence of a person from a place outside Malta to a place in Malta with the date being the date of issue of the Residence Document or the date as declared with the Commissioner for Revenue in the case of Maltese applicants.

A vehicle is to be declared for exemption not earlier than two months before the date on which applicant becomes normally resident in Malta and not later than twelve months following that date.

In addition to the above, where a vehicle has already arrived in Malta, the application for exemption has to be made by the person transferring the residence within **30 days** from the date on which that person had transferred his residence to Malta.

In case a person has transferred his residence to Malta and a vehicle has not yet arrived in Malta, the application for exemption has to be made by the person transferring his residence within **30 days** from the arrival of the vehicle in Malta.

An exemption shall apply to no more than one vehicle owned by the person transferring his residence, whether the vehicle is an M1 vehicle or a cycle.

A vehicle that is imported or brought into Malta by a person who had gone to live outside Malta primarily for the purpose of pursuing a course of studies of a duration of less than 5 years, does not qualify for an exemption from motor vehicle registration tax.

Together with the application for exemption, the applicant shall produce sufficient proof in either the Maltese or English language, as required by regulation 4 of Sub Legislation 368.01.

An applicant who feels aggrieved by the decision of the Board may appeal to the Tribunal in accordance with the provisions of the Administrative Justice Act within **21 days** from the date that decision is published on the website: <http://mfin.gov.mt>

The provisions of the law supersede any information that is published or disseminated. The Transfer of Residence Exemption Board endeavours to provide accurate information however this is not a substitute for legal advice. It is recommended that applicants seek legal advice as applicable.
