### **Repair works of the slipway and parts of two quays at Il-Ponta tal-Qrejten**

The Ports and Yachting Directorate, Transport Malta notifies mariners and the general public that repair work will be carried out on a slipway and on the quay next to the water polo pitch at Il-Ponta tal-Qrejten in Il-Port ta' Marsaxlokk.

The work will start on Thursday 13<sup>th</sup> May 2021 and is expected to be completed by Sunday 31<sup>st</sup> July 2021.

A silt curtain will be laid along the imaginary line joining points A, B, C and D for the repair of the slipway, whilst another silt curtain along the imaginary line joining V, W, X, Y and Z next to the water polo pitch will be laid, as shown on the attached chart.

A safety distance, of at least 10m from the silt curtains, shall be maintained at all times.

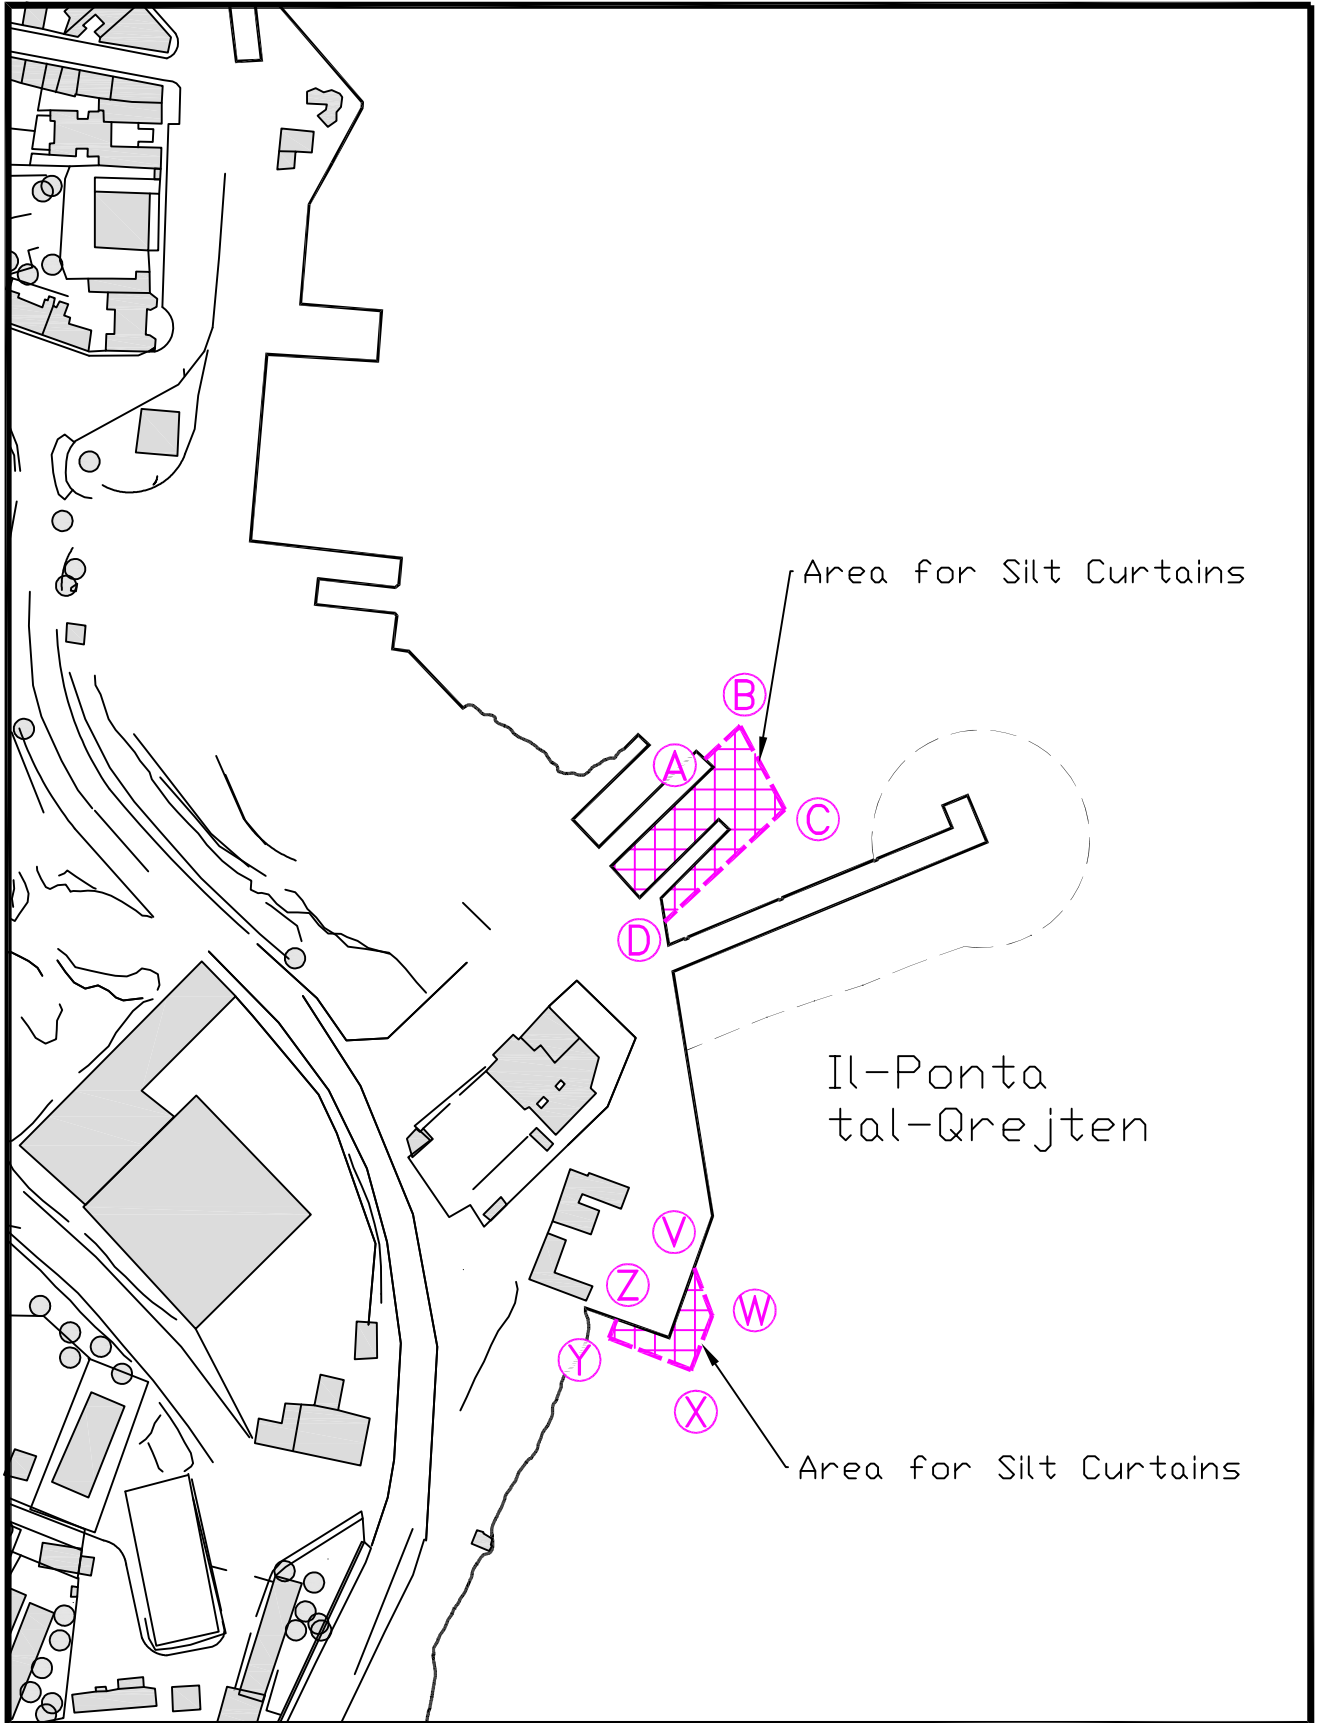

Some of the works will be carried out by scuba divers who will be displaying the International Code of Signals flag "A".

The indicated slipway with adjacent quay, as well as the quay forming part of the water polo pitch, shall not be used during this period due to the silt curtain.

Mariners and vessel operators are to navigate with caution and at slow speed (no wake) when in the vicinity. They are to co-operate with the contractor on site.

Mariners are to comply with instructions issued on VHF channel 14 and/or 16 by Marsaxlokk VTS.
