SECTION H – DECLARATION BY COMPETENT PERSON

I declare that all the information I have provided in this application is complete, true, and correct.

In the case of a petrol-powered vehicle, I confirm that the retrofitted LPG feeding system complies with the requirements of UN ECE 67 or UN ECE 115 and has been approved by an approving authority as the kind authorized in accordance with Regulation (EU) 2018/858, allowing the vehicle to operate using petrol or LPG;

In the case of a diesel-powered vehicle, I confirm that the retrofitted LPG feeding system is approved by a type-approval authority of an EU Member State for use on the category of the vehicle concerned, allows the vehicle's engine to operate with diesel and LPG simultaneously with both fuels being metered separately, has a visible meter allowing Transport Malta officers, or their delegates, to confirm that the vehicle is being regularly run using gaseous fuel, and that the smoke emission value of the vehicle were reduced by at least twenty five percent (25%).

I confirm that I have carried out checks, after retrofitting, to ensure that within the limits of the measuring method, emissions when running on the original fuel only have not deteriorated, and that emissions when LPG is added to the original fuel are less than those when the engine runs on the original fuel only.

I understand that giving false or misleading information in connection with this application is a serious offence and that Government officials may inspect any records. I undertake to keep relevant records applicable to this conversion to enable the Government to verify applications under the LPG feeding system vehicle grant scheme.

Data Protection Privacy Notice

The Authority for Transport in Malta (Transport Malta) of Triq Pantar, Ħal Lija, Malta, LJA 2021, is the Data Controller for the purpose of the Data Protection Act CAP 586 and the General Data Protection Regulation (EU) (GDPR) 2016/679. This Privacy Notice sets out the way in which we collect and process your Personal Information, as well as the steps we take to protect such information.

1. The information we collect and how we use it

- 1.1. From this Application, Transport Malta collects different types of information. Such information is that required by Law and is used explicitly for your applications related to Vehicle Registration and Drivers' Licences. It is to be noted that if the required information is not provided, the said application cannot be processed.
- 1.2. The primary purpose for collecting information is mainly to process the applications related to Vehicle Registration and Drivers Licences, however, your Personal information may also be used for related purposes that amongst others include sending notifications, renewal of licence after expiry period, and for the provision of information with regards to any legislative amendments which may affect the services offered to you.

2. To whom we disclose information

- 2.1. This information will be solely used for the reasons detailed above. However, there may be cases where personal information is shared with the following third parties for reasons listed below;
 - Any third-party offering assistance in providing the service, including Insurance companies and Contractors responsible for the development of Vehicle Registration and Licensing or Driving Licences Applications;
 - Any law enforcement body who may have any reasonable requirement to access your personal information; and
 - Third party entities responsible for the data processing and printing of relative licences.

3. Data Subject Rights

- 3.1. With respect to your privacy rights, Transport Malta is obliged to provide you with reasonable access to the Personal Data that you have provided to us. Your other principal rights under data protection law are:
 - a. the right for information;
 - b. the right to access;
 - c. the right to rectification;
 - d. the right to erasure;
 - e. the right to restrict processing;
 - f. the right to object to processing;
 - g. the right to data portability;
 - h. the right to complain to a supervisory authority; and
 - i. the right to withdraw consent.

- 3.2. If you wish to access or amend any Personal Data we hold about you, or to request that we delete any information about you, you may contact us by sending a request to dataprotection.tm@transport.gov.mt. We will acknowledge your request within seventy-two (72) hours and will do our utmost to handle it promptly. We will respond to these requests within a month, with a possibility to extend this period for particularly complex requests in accordance with Applicable Law.

- 3.3. At any time, you may object to the processing of your Personal Data on legitimate grounds, except if otherwise permitted by applicable law.

- 3.4. In accordance with Applicable Law, we reserve the right to withhold personal data if disclosing it would adversely affect the rights and freedoms of others. Moreover, we reserve the right to charge a fee for complying with such requests if they are deemed manifestly unfounded or excessive.

4. Retention period

- 4.1. Personal data will be retained for not more than 3 months from date of application should the application not be submitted complete or is rejected.
- 4.2. Once the Licence is issued, we will retain your information for as long as needed to provide you with our service, or to comply with our legal obligations, resolve disputes and enforce our agreements.

5. Security

- 5.1. We take appropriate security measures to protect against loss, misuse and unauthorised access, alteration, disclosure, or destruction of your information. Additionally, steps will also be taken to ensure the ongoing confidentiality, integrity, availability, and resilience of systems and services processing personal information, and will restore the availability and access to information in a timely manner in the event of a physical or technical incident. All information gathered is kept confidential and is used solely for the processing of Vehicle Registration and Licensing or Driving Licences.
- 5.2. If we learn of a security systems breach, we will inform you of the occurrence of the breach in accordance with applicable law.

6. Governing Law

All data collected in this form is processed in accordance with the Privacy Laws that include General Data Protection Regulation (Regulation 2016/679/EU) and Chapter 586 of the Laws of Malta (Data Protection Act).
