Further to Notice to Mariners No 08 of 2025 re EMC Subsea Cable System - Offshore Cable route survey

The Ports and Yachting Directorate, Transport Malta notifies mariners that further to Notice to Mariners N° 08 of 2025 regarding the EMC Subsea Cable System – Offshore Malta, there will also be a survey within an area of 3 km by 3 km centred on the following position:

Latitude (N)
35° 36'.462

Longitude (E)
014° 05'.436

During the survey the vessel “*MV Fugro Gauss*” will be towing survey equipment.

All mariners are requested to keep at least 5 Nautical Milles away from the above-mentioned area and give the vessel “*MV Fugro Gauss*” a wide berth.

Due to the above the completion date is being extended up to Wednesday 30th April 2025.

All the information and restrictions mentioned in Notice to Mariners N° 08 of 2025 will also apply for these days.

Chart Affected: **BA 2124.**
