Amendment to Local Notice to Mariners No. 215 of 2022 re Preparatory work for the laying of the High Voltage Shore Connection at the Grand Harbour - Fuel Wharf

Reference is made to Local Notice to Mariners No. 215 of 2022.

The Ports and Yachting Directorate, Transport Malta, notifies mariners and owners of vessels that, the area where the works were to take place has been amended and that no fixed silt curtain will be placed.

The new work area is formed by the imaginary line joining the points I, J, K, L, M, N, O, P, Q, and the intermediate coastline, as shown on the attached chart.

Due to the new area the works will not be completed within the time, as planned. The completion date is therefore being extended to Friday 10th February 2023.

Local Notice to Mariners No 215 of 2022 is to be amended accordingly.

All the other information mentioned in Local Notice to Mariners No 215 of 2022 will remain valid.
