Sailing races - Games of the Small States of Europe

The Ports and Yachting Directorate, Transport Malta, notifies mariners that the Malta Sailing Federation will be organising sailing races in St. Paul's Bay, between Sunday 28th May and Saturday 3rd June 2023.

The activity will take place in only one of the areas 1 to 6, as shown on the attached chart, depending on the weather conditions on the day.

Inflatable marker buoys shall be laid, between 0900 hours and 1900 hours, on all days of the activity, within the chosen area to indicate the racecourse.

All vessels not involved in the activity are to keep well clear from the competing boats and follow any instructions given by the race officials and support vessels.

Mariners are to note the above and give the area being used a wide berth. They are further instructed to keep out of the way of all the sailing vessels participating in the regattas. There will be no restrictions on the areas which are not being used on the day.

Any instructions issued on VHF Channel 12 and/or 16, by Valletta VTS and by any Enforcement Personnel on site are to be complied with.

Chart affected: **BA 211, 2538, 2537.**
