### ROV survey of cooling pipeline - at Qala San Marku, outwards

The Ports and Yachting Directorate, Transport Malta, notifies mariners that a survey will be carried out with the use of a Remotely Operated Vehicle (ROV). This survey will be carried out by personnel on the RHIB “*ER - 1*”.

The survey is planned to be carried out on Friday 24<sup>th</sup> June 2022.

The ROV survey will be held along the line A – B as shown on the attached chart:

	Latitude (N)	Longitude (E)	
A	35° 56'.833	14° 26'.812	(Coast)
B	35° 57'.148	14° 27'.290	

The actual survey is expected to take about 1 day.

Since the RHIB “*ER - 1*” will be towing an ROV, she will be restricted in her ability to manoeuvre.

Mariners are instructed to navigate with caution when the above-mentioned vessel is sighted, and they are to maintain a safe distance of 100m from the vessels.

All mariners are to comply with any instructions given on VHF Channel 12 and/or 16, by Valletta VTS and by any Enforcement Personnel on site.

Charts Affected: **BA 2537, 2538**
