Barge moored at Manoel Island for Mediterranean Film Festival

The Ports and Yachting Directorate, Transport Malta, notifies mariners that a flat barge associated with Mediterranean Film Festival will be moored at Manoel Island in front of Fortizza Manoel, as shown on the attached chart.

The barge will be moored in position on Saturday 24th June 2023 and removed on Sunday 2nd July 2023.

The flat barge which has an overall length of 40 meters will be berthed stern-to. The barge will be used as a landing platform from which passengers will be able to embark or disembark. It will remain in position for the whole duration, and it will exhibit a light at the most seaward section of the barge.

Mariners and operators of vessels are advised to keep a sharp lookout, proceed with caution, at very slow speed and give the barge a wide berth of at least 70 metres all round.

Moreover, they are to comply with any instructions given on VHF Channel 12 and/or 16, by Valletta VTS and by any enforcement officers on site.
