Repair works on the Delimara Power Station – Il-Ħofra iż-Żgħira

The Ports and Yachting Directorate, Transport Malta, notifies mariners and the general public that repair works will be carried out on the Delimara Power Station – outfall structure at il-Ħofra iż-Żgħira, Delimara, in the limits of Marsaxlokk.

The works are expected to start with immediate effect and will be carried out daily from 0700 hours to 1900 hours. Work is expected to be completed by Sunday 13th December 2026.

A silt curtain will be installed along the perimeter of areas A, B, C, and D, as shown on the attached chart.

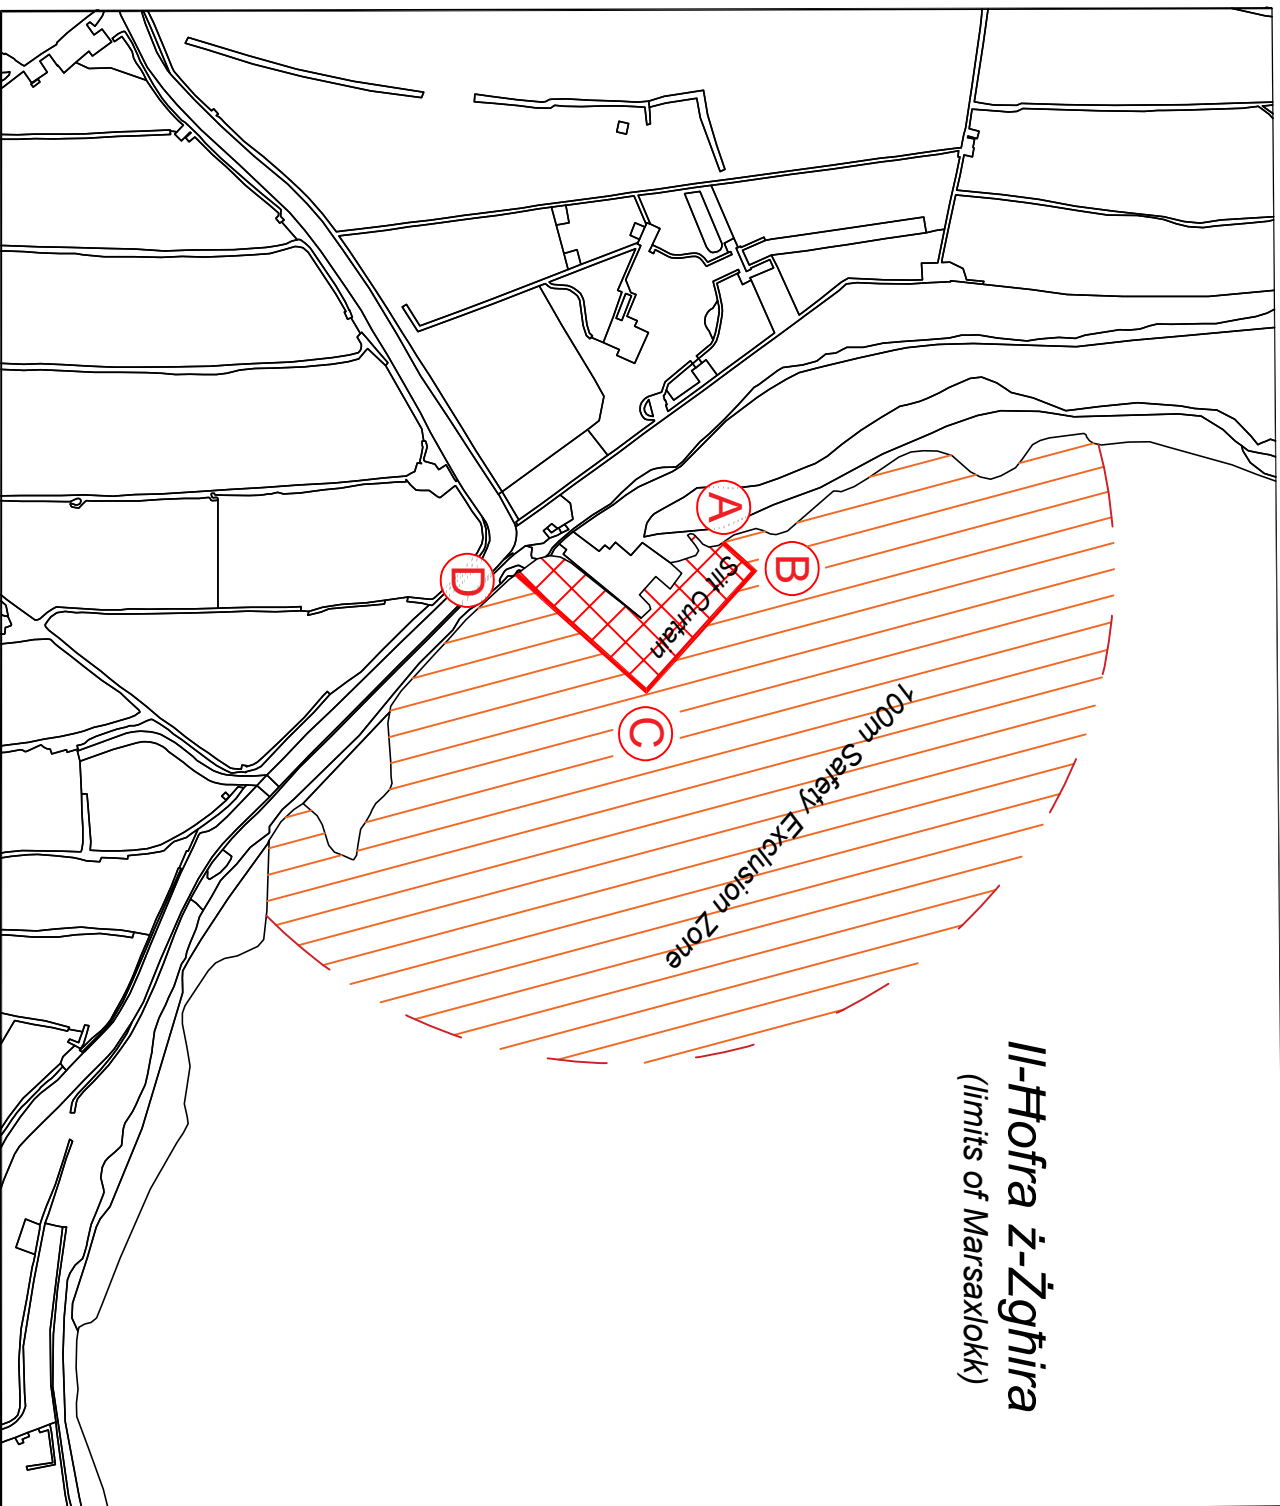

These works will be carried out from land and sea from barges assisted by its supporting fleet of vessels and scuba divers, who will display the International Code of Signals flag “A” while the works are being carried out.

A safety exclusion zone of 100 metres shall be maintained around the Delimara Power Station outfall structure at il-Ħofra iż-Żgħira, Delimara, for the entire duration of the works.

Mariners and vessel owners are requested to navigate with extreme caution in the vicinity of the works area, proceeding at very low speed and creating no wake. They are also requested to cooperate fully with the contractor and personnel on site.

All mariners are to comply with any instructions given on VHF Channel 14 and/or 16, by Marsaxlokk VTS and by any Enforcement Personnel on site.

Charts Affected: **BA 36, 2538**
