Speed Restriction in Close Proximity of Malta Freeport Terminal 2

The Ports and Yachting Directorate, Transport Malta, would like to remind mariners and operators of vessels that due to ongoing construction works on quay extension at Malta Freeport Terminal 2 - North and West quays (as shown in the attached Chart), mariners and operators of vessels must navigate at a safe speed, taking into account the current conditions. Extra caution is advised, and operators should proceed at a slow speed (no wake) when manoeuvring in close proximity to the construction site.

Mariners are also reminded on the importance of keeping a proper lookout at all times, and to contact Marsaxlokk VTS on Channel 14 when in need to operate near the Malta Freeport Terminal 2.

Chart Affected: **36**
