The Ports and Yachting Directorate of Transport Malta hereby informs mariners and the general public of the arrival of the Rig Noble Resolve at Grand Harbour, Valletta.

The rig is scheduled to arrive on Thursday 8 October 2026. Berthing operation is expected to commence on Friday 9 October 2026 at 0630 hours. Following the completion of the handing over of the tow to the local tugs, the rig will commence its inbound manoeuvre and shall proceed to its designated berth at the Malta Mediterranean Hub (MMH) Quays. Manoeuvre is planned to be completed by 1030 hours.

During the entry and berthing maneuvers, Rig Noble Resolve will be assisted by a number of tugboats as well as there shall be the presence of Maritime enforcement to assist with ensuring safe passage.

No vessel movements should take place without prior permission from Valletta VTS. Only emergency and enforcement vessels will be allowed to navigate in the affected area during this time.

In preparation for the operation, masters and owners of vessels currently berthed at Bridge Wharf, Fuel Wharf, Coal Wharf and Church Wharf shall be required to shift their vessels as indicated in the attached chart and as directed by Valletta VTS.

Failure to comply with the above directions may be subject to legal proceedings.

All mariners must maintain a listening watch on VHF Channels 12 and 16 and comply with any instructions issued by Valletta VTS, and any enforcement personnel on site.
