Operation of Commercial Passenger Transport Services to Blue Lagoon, Comino

The Authority for Transport in Malta notifies all concerned that following the issuance of the Expression of Interest (EOI) for the operation of commercial passenger transport services to Blue Lagoon, Comino, the commercial vessels attached in Annex I to this Port Notice have been authorised for the carriage of passengers intending on going ashore.

Annex I reflect those commercial vessels, operating under a valid Commercial Vessel Operator Licence (CVOL) or valid Water Sports Operator Licence (WSOL), which have satisfied the requirements of the EOI and therefore have been authorised to berth at Blue Lagoon with the intention of landing passengers ashore. Operators and Owners are reminded that the CVOL and WSOL, and any other mandatory certificate and licence, must remain valid at all times throughout these commercial operations.

All concerned are reminded that any passenger wishing to go ashore is to purchase a QR code from the Access Management System (AMS). The AMS is a web-based platform that allows visitors to reserve a free QR code for timed access to the Blue Lagoon, ensuring sustainable visitor management.

Access to the AMS can be obtained by visiting the following website: www.blcomino.com

On-Site Access and Entry includes showing the QR code to the Authority's gatekeepers who will scan it and issue a wristband for the time slot that has been booked.

The Authority's gate keepers will be placed at key locations in the Blue Lagoon area to ensure an orderly process.

All concerned are further advised to keep a sharp lookout, navigate with caution and at slow speed (No Wake) when entering and navigating within the Blue Lagoon. They are to comply with all the directions issued on VHF channel 12 and/or 16 by Valletta VTS, and by any Enforcement Officers on site including the Maritime Enforcement Unit of the Authority who will be managing and coordinating vessel traffic in the area.

Transport Malta

In the event of any non-compliance, enforcement and/or legal action will be taken. This may include the suspension or revocation of the authorisation to berth at Blue Lagoon.
