

COMMERCIAL YACHTS EXTENDED RANGE TENDER GUIDELINES

Yachting Notice 2 Rev.2

*Notice to Yacht Owners, Yacht Operators, Managers, Masters,
Owners' Representatives, Appointed Surveyors and Recognised Organisations*

This Directorate draws the attention to all interested parties that the regulatory framework governing Commercial Yachts Extended Range Tenders has been consolidated directly into Section 22 of the Malta [Commercial Yacht Code \(CYC\)](#) and Section 19 of the Malta [small Commercial Yacht Code \(sCYC\)](#).

The requirements governing Commercial Yachts Extended Range Tenders shall be read, construed, and applied in accordance with Section 22 of the CYC, as amended, for yachts $\geq$ 24m and in accordance with Section 19 of the sCYC, as amended, for yachts $<$ 24m.

All stakeholders, owners, operators, Appointed Government Surveyors, and Recognised Organisations must ensure full compliance with the provisions, survey regimes, technical specifications, and equipment standards detailed therein.

Version	Date	Description of Change
